HOUSE BILL No. 1117

DIGEST OF HB 1117 (Updated January 24, 2006 2:19 pm - DI 69)

Citations Affected: IC 9-13; IC 13-20; IC 36-9.

Synopsis: Environmental law. Eliminates the interagency groundwater task force and the municipal waste collection and transportation vehicle registration program operated by the department of environmental management. Changes reporting requirements for a person transporting solid waste in a vehicle to a final disposal facility in Indiana for disposal. Makes it permissive rather than mandatory for the solid waste management board to adopt rules imposing a fee on the disposal or incineration in a final disposal facility in Indiana of solid waste generated outside Indiana. Provides that if a person enters into a contract with a consolidated city to accept the consolidated city's solid waste at a waste facility, the person may not be considered to be operating the facility.

Effective: July 1, 2006.
